

Suggestions for Future Campus Site Form

The St. Monica Academy Board of Directors, and the “Campus & Site Committee,” is requesting that parents and friends of the school suggest possible property sites—EITHER FOR LEASE OR FOR SALE—for a future campus for St. Monica Academy.

These sites will be reviewed on a frequent periodic basis by the committee and board. Below is the form which is to be submitted to the school office. A copy of submitted forms will be kept on file in the school office for parents to review to avoid duplicative efforts.

The suggested guideline with regard to the area of potential future sites is roughly a 10-mile radius from our current location. This would extend east to the 605 freeway, south to the 60 freeway and west to Sun Valley, Tujunga area. Please complete the form below as completely as possible and submit it to the school office.

Your assistance is greatly appreciated.

Sincerely,

St. Monica Academy Campus Site Committee
