St. Monica Academy cordially invites you to attend a talk
by Mrs. Noelle Mering

Home Matters: A Familial Response to Ideology

The Woke movement, like all cultural revolutions, aggressively targets the stability of the family. Homelife is the engine of a healthy society. This is a truth so foundational and obvious that it takes a host of manipulations to obscure it. In this talk Noelle Mering identifies how to spot the lies and how to counter them.

Noelle Mering is a Fellow at the Ethics and Public Policy Center and a Scholar at the Institute for Human Ecology at CUA. She is the author of *Awake, Not Woke: A Christian Response to the Cult of Ideology* and co-author of the *Theology of Home* book series. She publishes regularly in *Daily Wire*, *Newsweek*, *National Catholic Register* and many other outlets. Noelle lives in Ventura with her husband and six children.
